## **Exclusion and Limitations**

### ***General Exclusions***

1. Services that are not Necessary Dental Care, other than covered preventive services.
2. Any procedure not performed in a dental setting.
3. Benefits not stated; services and supplies not specifically listed as covered; Benefits in excess of the stated limits under this Agreement.
4. Expenses for a Procedure in Progress begun prior to the Member's eligibility. Dental Services rendered after the date a Member's coverage terminates.
5. Conditions caused by or arising out of war or acts of war, declared or undeclared. To the extent that a natural disaster, war, riot, civil insurrection, epidemic, or any other emergency or similar event not within our control results in our facilities, personnel, or financial resources being unavailable to provide or arrange for the provision of a basic or supplemental dental service in accordance with the requirements of this Agreement, we are required only to make a good faith effort to provide or arrange for the provision of the service, taking into account the impact of the event. For purposes of this provision, an event is not within our control if we cannot exercise influence or dominion over its occurrence.
6. Hospitalization or other facility charges.
7. Services and supplies for which the Member is not required to pay or that the Member would receive at no cost in the absence of dental coverage; services and supplies for which the Member is not billed by a Provider or for which we are billed a zero dollar charge.
8. Services and supplies rendered by an immediate family member (spouse, Domestic Partner, parent, child, grandparent or sibling related by blood, marriage or adoption) or prescribed or ordered by an immediate family member of the Member; Member self-treatment, including but not limited to self-prescribed medications and medical self-ordered services and laboratory tests.
9. Cosmetic Procedures.
10. Non-emergency services provided outside the United States.
11. Reconstructive surgery, regardless of whether or not the surgery is incidental to a dental disease, injury, or congenital anomaly when the primary purpose is to improve physiological functioning of the involved part of the body.
12. Pharmacological regimens and restorative materials not accepted by the American Dental Association (ADA) Council on Dental Therapeutics.
13. Procedures that are considered to be Experimental or Investigational. The fact that an Experimental or Investigational service, treatment, device or pharmacological regimen is the only available treatment for a particular condition will not result in coverage if the procedure is considered to be Experimental or Investigational for that particular condition.
14. Fixed or removable prosthodontic restoration procedures for complete oral rehabilitation or reconstruction.
15. Procedures related to the reconstruction of a patient's correct vertical dimension of occlusion (VDO).
16. Placement of fixed bridgework solely for the purpose of achieving periodontal stability.
17. Treatment of malignant or benign neoplasms, cysts or other pathology, except excisional removal. Treatment of congenital malformations of hard or soft tissue, including excision.
18. Setting of facial bony fractures and any treatment associated with the dislocation of facial skeletal hard tissue.
19. Services related to the temporomandibular joint (TMJ), either bilateral or unilateral. Upper and lower jawbone surgery, including that related to the temporomandibular joint.
20. Orthognathic surgery and jaw alignment; gnathologic recordings.
21. Drugs and medications obtainable with or without a prescription, unless dispensed and utilized in the dental office during the patient visit.
22. Occlusal guards prescribed for purposes other than habitual grinding, including those used as safety equipment or to affect performance or for protection in sports-related activities.
23. Acupuncture, acupressure, and other forms of alternative treatment.
24. Educational programs, services and supplies to teach nutritional and oral hygiene techniques.
25. Charges for failure to keep a scheduled appointment.
26. Replacement of appliances and repeated procedures that are related to Provider error. These replacements services are the responsibility of the Provider.
27. Replacement of appliances and repeated procedures that are related to patient noncompliance, loss, or theft. These replacements and services are the responsibility of the patient.
28. Services for any illness, condition, or injury occurring in or arising out of the course of employment for which a claim has been approved under workers' compensation insurance coverage.
29. Orthodontic services, except extractions, unless specifically covered by your dental Benefit Schedule.
